Niteworks® Herbalife teamed with Nobel Laureate in Medicine, Dr. Lou Ignarro, to develop this refreshing orange-mango powder mix that helps you create more life supporting nitric oxide during the night, when nitric oxide levels are naturally lowest.* Research indicates that L-Arginine and L-Citrulline help produce nitric oxide, which can protect your cardiovascular health and helps blood vessel elasticity.* Helps to support healthy blood pressure levels already within a normal range.* Rich in antioxidants natural vitamin E and vitamin C. Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive. Niteworks® also contains Folic Acid to protect the vascular system and Lemon Balm to soothe and relax you.* So drink to your heart's health each night, and wake up feeling rejuvenated.*

** Dr. Lou Ignarro is a member of the Scientific and Nutrition Advisory Boards, and receives compensation for his endorsement of Herbalife® products. The Nobel Foundation has no affiliation with Herbalife and does not review, approve or endorse Herbalife® products.

DIRECTIONS: Gently shake the canister prior to each use as contents may settle. Two scoops (two teaspoons or about 10g) in 8 fl oz of cold water. May also be mixed with sparkling water or juice. Drink once daily at night or before bedtime.

STORE IN A COOL DRY PLACE WITH LID TIGHTLY CLOSED.
30-day money-back guarantee. This exclusively formulated product is only available through Herbalife Independent Distributors.

This product is sold under license of U.S. patent 6,117,872.

NOTICE: Not recommended for use by children, pregnant or lactating women.
